

Bishopthorpe Tennis Club

Code of Conduct and Behaviour

Bishopthorpe Tennis Club is a welcoming club that invites anyone to join who wishes to play friendly tennis in a spirit of competitiveness but mindful of the need to remain respectful of the opposition and players of different abilities and levels.

As a Member of Bishopthorpe Tennis Club you are expected to treat others with courtesy and respect. Physical or verbal abuse of other members or visitors is not tolerated; any such incidents will be treated very seriously by the Committee.

All Members must play tennis within the spirit and rules of the game of tennis as adopted by the LTA.

All Members should have appropriate clothing e.g. non-marking trainers.

If waiting to use Courts 2 or 3, please do not walk over Court 1 or behind players in the middle of a game; wait until a break between points and then only cross when invited to do so by the players on court.

At specified Club Sessions, or when there are people waiting, members should be prepared to mix in with all comers, optimising court use by playing doubles rather than singles, and to invite any waiting players onto court without undue delay.

Unless it is a designated Junior session, Juniors should give court space to adults.

Used balls are provided free of charge for practice use, please return them to the correct basket in the Club House after use for other Members' benefit. Any balls beyond reasonable tennis use can be left in the box for dog training. Please retrieve any balls sent over the perimeter fencing.

Please wash, dry and put away any cups or plates used, and leave the Club House and toilet facilities clean and tidy.

The Club House and grounds are a no-smoking area.

Please park bicycles in the racks provided or if full away from the pathway.

The last person to leave the Club premises should ensure that the lights and electric sockets are switched off in the Club House and it is locked and the padlocks on the outer gates are secured.

Anyone not abiding by the club's policies, or behaving in a way which does not uphold the ethos of the club should be reported to the Club Chair in the first instance. The following actions may be taken:

- Verbal warning by the Club Chair.
- If behaviour continues, or actions requested by the Chair not adhered to, a formal warning will be given.

- If behaviour continues, or actions remain outstanding, the Chair will remove membership from that individual.
- The excluded member has the right of appeal to the Club Committee in writing, who will consider this request.

The Club will never share you information with any third party without members' explicit consent.

- where the club's processing is based on a member's consent, this member may withdraw that consent, without affecting the lawfulness of the club's processing based on consent before its withdrawal.

Any members wishing to exercise any of these rights should contact the club using the contact details available on the club website. Please note that these rights are not absolute and we may be entitled (or required) to refuse requests where exceptions apply.
